**OrangeHRM Live - Web Based HR Management System**

*The World's First Cloud Based Global HR Management Application*

SECAUCUS, NJ, July 28, 2010 /24-7PressRelease/ -- OrangeHRM, Inc., a leader in the development of open-source human resources management (HRM) software, is pleased to announce the launch of OrangeHRM Live, a hosted version of its flagship product OrangeHRM. OrangeHRM Live was launched at the SHRM 2010 Annual Conference & Exposition at the San Diego Convention Center, California.

OrangeHRM Live is packed with many add-ons and advanced modules giving HR Managers a feature rich and flexible application. Hosted on highly secured servers OrangeHRM is guaranteed to be a fast, scalable and reliable HR Application and can be deployed in minutes. OrangeHRM Live does not require any installation, IT staff, or an IT infrastructure, OrangeHRM Live is hosted and maintained with timely upgrades and you can access it on any leading web browser anytime and from anywhere in the world. With its User-friendly interface, admin and self service modules, its as easy as using eBay or Gmail. Companies do not have to wait for return on investment, with OrangeHRM Live you can pay as you go and pay per user.

During the launch OrangeHRM Co-Founder and CEO Sujee Saparamadu said "Many organizations are finding it hard to get a solid IT infrastructure for applications of this nature but with OrangeHRM Live you do not have to worry about anything, we will take care of the system for you backed by high quality professional support."

In an extremely fast and growing planet this is just the kind of HR Application any company should have in its artillery which is now available and you are just a click away.
